**SPORTS IN SCHOOLS – FUNDAMENTAL MOVEMENT SKILLS PROGRAM**

Dear Parents / Caregivers

Students from **Kindergarten to Year 2, and Stage 2 & 3 students** who are not involved in PSSA will be participating in the Fundamental Movement Skills program. All activities are taught by trained coaches from within ‘**Sport in Schools Australia.**’

Our students will complete a variety of sport development activities on a rotational basis for one hour each Friday. This will be from **Weeks 2-9 Term 1, 2021.** It is expected that your child will participate in this program so they can be assessed against the NSW PDHPE student outcomes. Information gathered will be reported in the Semester 1 Report at the end of Term 2.

The cost is at a heavily reduced rate of only \$2.00 per week. This will total **\$16 for the 8 weeks.**

Also, for this sport program to be successfully implemented we will need to start the program at 9:10am and this means that all students need to be at school at 9:00am.

Please complete the below permission note and **\$16** to your class teacher by Friday 5 February 2021. If you have any concerns, please let your child’s class teacher know.
