

Coota Gulla Preschool - Take Home Learning Pack

Term 3, Week 9

Dear families,

Please find the learning from home work for this week attached. Children can complete the activities more than once if they would like to.

If you can, we ask that you send a photo/video of the work your child has completed. All photos/videos can be uploaded in your child's portfolio or sent via ClassDojo messages.

Taking photos of the tasks your child completes, allows us to see all the wonderful learning that the children are doing as well as allowing us to see which children are learning from home so that we can mark the roll.

Happy learning!

Listen to the story on class dojo.

Take photos of yourself making different emotion faces for example, happy, sad, surprised.
