<p>Science and technology Forces: Push and Pull Look in magazines to locate a force such as a push or pull. Cut out pictures and paste onto a paper under the heading of push / pull. Or View the Power point https://schoolsnsw-my.sharepoint.com/:p:/g/personal/agostina_iervasi1_det_nsw_edu_au/Ect_tob7a0BGnkRDYyhtdb0Bbdzn3QBZEJijFSVLRHj-uw?e=mfCcNJ Interactive game: Fish Force https://pbskids.org/ruff/games/fish-force</p>	<p>Geography Refer to Mrs Barone's post on Tuesday</p>	<p>Visual arts Using a paper plate, design and create your own bear.</p> 	<p>Music Make your own simple guitar Using tissue boxes, shoe boxes without the lids or fruit punnets you can create a string-type instrument. Use the box for the base of the instrument and take four to six rubber bands. Wrap the rubber bands around the base, the long way, and make sure there is space between the rubber bands. Experiment with ways of making sounds with the bands. Also try using small pieces of sandpaper wound round a finger of each hand to rub together and create sounds.</p>	<p>PDHPE FMS: Hop School rules: Be Safe: Hat on when outside</p> <p>Students locate hats and place on their heads before outside. Using body parts. Students focus on ways in which different parts of the body can move, and begin developing a vocabulary for talking about movement. Song "twist" can accompany the lesson to practice movement and hopping https://www.youtube.com/watch?v=eiU7oJgk_tuo</p>
