## CURRENT CONTACT DETAILS

Dear Parents and Carers

Keeping accurate school records is a very important function within a school. We frequently need to contact parents and carers for a number of reasons. Therefore, it is important that the school is advised of any changes in your current situation and / or contact details.

However, you only need to return this form if your details have changed. If your details remain the same, you **DO NOT** need to return this note.

Thank you in advance for supporting us to provide a quality education for your child.
