Dear Parents / Caregivers

Part of the Early Years Learning Framework Curriculum supports the documenting of your child's learning, interests, friendships and progress in a portfolio. This portfolio will highlight all the special events your child will be engaged in and their achievements throughout the year.

Photographs play an important role in recording your child's learning at Coota Gulla Preschool and your child may appear in photographs with their friends in group play or co-operative play experiences, even excursions.

For this reason we are asking if you could please sign below if you agree to:

- Allow your child to have a portfolio developed
- Have their picture included in other children's portfolios as described above.
