LIVERPOOL WEST PUBLIC SCHOOL – KISS AND DROP – UNDER REVIEW

As you might be aware the Kiss and Drop at Liverpool West can be very busy. Lately our staff have witnessed a large number of parents and carers not using the Kiss and Drop appropriately or safely. On some occasions, the directions from school staff and the rules of the Kiss and Drop have been ignored. The rules are designed so that the children are safe and the Kiss and Drop can run smoothly and effectively. **At this point in time the Kiss and Drop is under review and it may be closed if it is not used safely and in accordance with the rules.**

Please read and follow the rules as you access the Kiss and Drop.

KISS AND DROP RULES

- Kiss and Drop operates from 8:40am to 9:20am, each morning.
- Please ensure children get out of the vehicle on the kerb side.
- Ensure your child is ready to leave the car when you have approached the Kiss and Drop off zone.
- Children should travel with bags in the car (not in the boot).
- Drop off your child close to the top of the zone, allowing vehicles following you, to enter the zone in an orderly manner.
- To assist with traffic flow, drivers should try to remain in the car whilst children get out.
- When exiting the Kiss and Drop, **turn left only** onto Flowerdale Road.
- **There is strictly no parking in or near the Kiss and Drop. *In rare and special circumstances permission can be granted by the Principal.**
- There is one single line of cars, under no circumstances should a car overtake a moving or stationary vehicle in the Kiss and Drop laneway.

We require your support and compliance with these rules so that everyone can use the Kiss and Drop safely and efficiently. If you have any questions or concerns please phone the school on 9602-8062.
