Wednesday 11 April ANZAC Day Ceremony

### Message from the Principal

I am sure you are aware of the recent catastrophic fires and the devastation they have caused in Tathra and other communities.

As a caring school we would like to support these communities because they will all need different kinds of help in the days and months ahead!

So, next week we will have a gold coin donation fundraiser (or any amount you wish to donate). I will share more information about this fundraiser at the Monday morning assembly. We would like to reach a target of over \$500 from the Liverpool West school community.

Your support of this fundraiser will be very much appreciated.

Preschool students learning gardening skills from their teachers.

In Week 7 these students received Uniform Awards for wearing their full school uniform with pride.

Sofija from 5/6 Iris received our 100% Attendance Award.

PSSA Hockey Team practising their skills.

School Captains and Vice Captains attended a Leadership Conference in Darling Harbour.

Lara one of our New Arrival students from K-6 Turquoise worked very hard to complete her task.

"Swim Scheme was a great success! Some students from Years 2-6 participated in our school's swim scheme program in Weeks 6 & 7. These students have been learning life skills in order to survive in the water. All our students enjoyed learning these survival skills."

Leila and Fatima (5/6 Amethyst) are 'Respectful' of other people's property and need to be commended for their honesty.

In Week 8 these students received Uniform Awards for wearing their full school uniform with pride.

*Did you know?*  
**HEALTHY SNACKS**

Filling up on junk or 'sometimes' foods high in energy and sugar leaves less room for the more nutritious or 'everyday' foods.

*Did you know?*  
**PHYSICAL ACTIVITY**

Physical activity builds strong bones and muscles, helps with coordination and balance, and encourages a healthy weight for your child.

*Did you know?*  
**SCREEN TIME**

Both children and adults should be minimising exposure to screen time.

This includes TV, computers, tablets and smartphones. Are you a positive role model when it comes to reducing screen time?

*Did you know?*  
**WATER**

Children should not be drinking fruit juice regularly. While some juices contain vitamin C, they lack the fibre and many other important nutrients contained in a whole piece of fruit.

One of our mothers made this Chick Pea Salad and Biryani during their cooking class.
