Message from the Principal

REQUEST FOR ALL SCHOOL MAINTENANCE LOCAL TRADES PROVIDERS AND SUPPLIERS

The NSW Government has committed the largest investment in planned maintenance at public schools in the history of NSW. A record \$1.3 billion is being spent on an ambitious delivery program, focused on employing local businesses and contractors across the state.

To assist in addressing regional school maintenance issues and at the same time provide work for local trade's persons and suppliers across the Greater Western Sydney region encompassing South Western and Western Sydney, over \$100 million is being invested to upgrade and maintain our school infrastructure.

Given this record spend by School Infrastructure NSW, you are invited to an Asset Management Unit industry breakfast briefing. This will provide information to existing and new contractors on how you can get involved.

To find out more by attending our Industry breakfast register at <https://www.eventbrite.com.au/e/industry-engagement-information-session-tickets-81879669295> or contact AMU on 9732 3528.
