Vacation Care Summer 2024/2025

GULYANGARRI PUBLIC SCHOOL PROGRAM

Conditions of Enrolment

To provide a well organised and safe program, the following conditions have been devised. Your cooperation in complying with the following conditions will assist us to provide a safe and enjoyable Vacation Care Program for your children.

1 Hours of Operation

Vacation Care operated from 6.30 am to 6.30 pm. Parents of children not collected by 6.00 pm sharp will be charged a late pick-up fee of \$10 per 10 minutes or part thereof.

Call the Coordinator if you are running late, held up at work, in traffic, etc. to reassure your child and give an expected arrival time.

If a child is left late at the Centre, every effort will be made to contact the parent/ guardian or emergency contact person.

NOTE: If no contact is made by 7.00 pm, Police will be called and the child collected by its officers. Department of Community Services will be notified within 24 hours.

2 Excursions

To ensure each child's safety, children must be signed in at the Centre by 8:30 am, or at least one hour before departure. Educators and children leave on time. Late arrivals will remain the responsibility of their parent/guardian. If there is an in-centre alternative and vacancies available, this can be arranged as an alternative with the Office.

No responsibility is taken for late arrivals.

During the day, groups may go on mini-walking excursions in the local area. This will be noted on the program. Children walk with educators or are transported by the 3Bridges Community minibus or a chartered bus (or at times, public transport) to excursions out of the local area.

3 Behaviour

Please note that constant disruptions to the program may result in a child's exclusion after consultation with the Supervisor, Manager and the parent.

4 Late Enrolments

Once the program has commenced it is best to check the availability of places by checking the OWNA app or phoning the office 1300 327 434.

5 Fees

Attendance at Before School Care, After School Care and any following Vacation Care programs relies on all fees being up to date. No refunds of fees, credits or exchanges of days are allowable. As 3Bridges Community is an approved service provider, Child Care Benefit and Child Care Rebate is available to eligible families. Contact the Family Assistance Office on 13 61 50 for assessment. GULYANGARRI PUBLIC SCHOOL PROGRAM

6 Arrival and Departure

On arrival, a parent/guardian or nominee is required to sign the child in with the time of arrival. Please let the educators on duty know that your child has arrived before leaving.

On collection, parent/guardian or nominee is required to sign the child out with time of collection.

Written permission with the parent/guardian's signature is required if a child is to be collected by someone else other than the parent/guardian. Children will not be released into the care of anyone other than the parent without this written authority. Your nominee can be added to OWNA by completing An Authority to Collect Form giving authority to your nominee.

Written permission with the parent/ guardian's signature is required to Authorise a Child (over 10 years) to Independently Leave the service. We reserve the right to not allow a child to leave the service unaccompanied if it is considered a risk to the child.

7 Illness/Accident/Medication

We conduct risk assessments and plan to reduce the risk of accidents and keep your child safe. If a child has an accident and needs medical attention, we will apply first aid, make the child comfortable and contact the child's parent to collect.

In the event of a serious accident, an ambulance will be called, and parents will be notified as soon as first aid has been administered.

The best place for sick children is at home. If a child is sick in care, for the child's wellbeing and to prevent spread of infection, the child's parent will be contacted to collect.

We do not administer medicines under any circumstances without a Medication Permission Form being completed, signed and dated by the parent/guardian. All medicines are to be in the original container, with dosage showing and within use by date. Medication Permission Forms are available from the Coordinator.

Medical Conditions: An up-to-date Medical Management Plan with the child's photo and Doctor's signature is mandatory for children with medical conditions such as asthma, anaphylaxis, diabetes, etc.

8 What to bring/wear

Food and drink for morning/afternoon tea and lunch must be brought each day. The centre has a nutrition policy, and treats are kept to special occasions. Children are not to bring chewing gum or lollies.

Raincoats are essential every day, regardless of weather, as children are out and about and on excursions.

Shoes that protect the child's feet are to be worn - sneakers, boots and sports shoes are ideal. Certainly, no thongs, preferably no sandals.

Sun hat and sunscreen is essential every day. While we try to keep the children out of the sun during the hottest part of the day, it is not always possible. It is the parent's responsibility to ensure that their child has adequate sun protection and is wearing suitably covered clothes. We have regular 'slip, slop, slap' times throughout the day and have backup sunscreen. A refillable water bottle is recommended so your child can have access to water throughout excursions.

9 What not to bring

Skateboards, roller blades and wheelies are not permitted unless programmed. Toys and devices such as iPhones/iPads brought by children are their own responsibility.
