### PERMISSION TO PROVIDE PERSONAL INFORMATION TO THIRD PARTY WEBSITES

Dear Parents and Carers,

**Liverpool West Public School uses third party websites to support your child's learning on an ongoing basis. The websites we use are:**

- **ABC Reading Eggs** to support learning to read through online reading games and activities. <https://readingeggs.com.au/>
- **Mathletics** to support mathematics learning through online mathematics activities and quizzes. <http://au.mathletics.com/>
- **Class Dojo** as a classroom management tool to reward positive behaviour. <https://www.classdojo.com/>

In order to create an account for your child, or to help the website identify individual students, some personal information needs to be provided by the school. This information can include your child's name, class or date of birth.

We are seeking your permission to provide your child's personal information to ABC Reading Eggs, Mathletics and a Class Dojo.

If there is any change in the information required to be provided for your child we will seek your further permissions, otherwise these permissions will remain in effect until your child leaves Liverpool West Public School, or you inform us in writing that you no longer give permission.

Students without permission will be unable to use the websites and the school will use all reasonable efforts to provide alternative learning resources to your child.

Please complete the form overleaf to indicate your permission for Liverpool West Public School to provide personal information for each website.

Yours sincerely,

.....  
Mrs P. Bull  
**Principal**
